Riviera AL PVC Shutters

Riviera AL is a superior internal PVC Shutter - it is about what's on the inside that makes the difference.

Riviera AL is a 'non-toxic' PVC Shutter which does not omit volatile organic compounds (VOC) or harmful emissions - this makes them safe for the whole family. Riviera AL Shutters are perfect for all domestic and commercial uses, as well as in high-temperature climates.

With aluminium re-enforced blades and stiles, Riviera AL is well known for quality, strength and durability. Easily cleaned with a damp cloth, Riviera AL is a leading choice for its diverse applications throughout the home. Suitable for any room in the house including bathrooms and kitchens, Riviera AL is also perfect for creating room dividers in larger areas.

Available in 13 colours, Riviera AL's sophistication and style will bring elegance into any room of the house, while adding great insulation benefits in window applications.
